Re. Jan. 20, 2012 Letter

Dear Mr. Gans:

We recently received your response, dated Jan. 20, 2012, to our renewed request for public records, thank you for your prompt attention. Your letter requested a bit more information specifically regarding the investigative report our letter referenced. Mr. Martinek confirmation that the report exists when he stated in his letter dated Aug. 1, 2011, "The investigative report of Mr. Hale is subject to attorney client privilege and is in addition a personnel record which I am withholding."

We understand that you may need more time, but we feel that too much time has already gone by and we want to get the information we are asking for as soon as possible. Please let us know how much more time you think you will need.

Regards,
