Re: Public Records Act Request

Dear Mr. and Mrs. Wolff:

Please consider this letter in response to your Public Records Act request of July 7, 2011. As before, I appreciate your patience. As part of this latest request, I comprehensively re-reviewed the various issues raised during our series of correspondence.

You have made Public Records Act requests on the following dates:

May 26, 2009
June 7, 2009
March 19, 2011
April 10, 2011
July 7, 2011

Some of these requests also included questions arising under the Brown Act. As part of the process of responding to your most recent request, I have reviewed these prior requests and responses. In my re-review of these issues, I find I have nothing to add. To summarize:

I cannot speak to comments quoted in the press, which are not mine and for which I was not present.

Ms. Flemming and Mr. Hale quit. There is no requirement in the Rio Dell ordinances requiring the council to accept a resignation, therefore there was no vote to do so. A quit is a quit.

The investigative report of Mr. Hale is subject to attorney client privilege and is in addition a personnel record which I am withholding.

The post severance agreement with Ms. Flemming was not a settlement of any claim and is also a confidential personnel record.

Other than these two documents, various requested documents, as set forth in prior correspondence, are either non-existent or have been provided to you. I regret I cannot seem to find the magic words to lay these issues at rest.

Very truly yours,

DUN & MARTINEK LLP
