

Hi. You might not know me but I have already been working to make our community better. My name is Dan Kelley and I am running for the College of the Redwoods Board of Trustees Area 2. The election happens on Tuesday November 7th and I could really use your vote. In a special election year like this every single vote counts and sometimes it can be decided with just a small number. Please check out my Facebook page at [@Kelley4CR](#) or my website: www.dan-kelley.com if you would like to learn more about me before making a decision. CR is a vital affordable education resource to our entire community. Please help me with your vote so we can make CR thrive again.
