To: Honorable Mayor and City Council

Through: Kyle Knopp, City Manager 

From: Graham Hill, Chief of Police 

Subject: 2015 Annual Report from Police Department

Recommendation:

Receive and File

2015 was a difficult year for the Police Department. Near the beginning of the year we started short-handed with an injured officer being out of service, then lost two officers shortly thereafter leaving us with three employees for the majority of the year. From June through November shift work was covered by Officer Brady, Sergeant Beauchaine and myself. We hired Officer Walstrom and Officer Valk who completed their training the beginning of this year. 2015 was one of the more difficult years we have had at the department and Officer Brady and Sergeant Beauchaine really stepped up when the department and community needed them.

During 2015 we took 386 Incident crime reports, which is about 19 crime reports fewer than in 2014 (404). We took a total of 531 Incident reports in 2015 including non-criminal reports. We documented about 1800 Calls-For-Service during the year and made 292 arrests. A sample of incident types was pulled for a three year comparison and you can see that while the frequency of some crime types stayed relatively stable, we did see some increases in certain areas. Most notably vehicle theft, drug possession, and possession of stolen property. Heroin possession in particular saw an increase, however this was directly related to increased efforts on the part of the department to target that particular issue. We worked very closely with the Humboldt County Drug Task Force and the Sheriff's office during 2015.

Due to staffing we were unable to accomplish a lot in the way of community programs however are working on improving in that area during 2016. We were able to secure funding through Measure Z for fiscal year 2015-2016 and as a result, have been able to have assistance at the front counter of the police department for 24 hours a week. Approximately eight hours each week were dedicated to code enforcement. We handed just under fifty code enforcement complaints in the second half of 2015.
